

NOTICE TO PATIENTS SEEING THE DIETITIAN

Our dietitian is a participating provider in several commercial insurance plans. However, most commercial insurance plans cover dietitian services only for certain medical conditions, even when the dietitian is a participating provider.

Please be aware that it is your responsibility to enquire with your insurance company as to whether or not dietitian services will be covered for your specific medical problem(s). The insurance companies will not share this information with us, so we are unable to check for you.

In the event that the services are not covered, you will responsible for the fee(s) for the visit(s).

We apologize for any inconvenience.
